and representatives; safeguarding and equality and diversity as well as social media and discipline.

For further information on the BRC codes of conduct please see the BRC handbook.

Entries:

Pre-entries:

All entrants must submit a pre-entry to BRC (fees can be found in the current BRC Handbook) at least 21 days before the date of the qualifier. Pre-entries can be made via the pre-entry website <https://brc.bhs.org.uk/login?referral=%2Fselect> . Late pre-entries may be accepted at the discretion of the organiser with a late surcharge of £5 per individual and £10 per team (payable to BRC HQ) if space permits. **Late entries cannot be guaranteed and so therefore must not be paid for until approval from the organiser has been gained.**

Area Entries:

After a pre-entry has been made, the designated club member who is in charge of organising the team/individual taking part in the event must also ensure an area entry is made. Late area fees are subject to the organiser's discretion. If a pre-entry is made, clubs are agreeing to a binding constitution which means they must make an area entry payable to the designated account, regardless of whether or not the team/individual competes.

The entry must be signed by a senior club member/individual member who is also a BRC member. This certifies that all entries are in accordance with BRC rules. Entries will not be accepted if BRC has not received a Pre-entry.

Entry Restrictions:

For further eligibility queries, please see the BRC handbook, Section 2, page 92.

For teams, each rider will ride a different test, this is the test they will ride at the championships should they qualify. Only the team's best 3 scores will count. For the pair's classes, both riders will ride the test at the same time, parallel to one another. The pick a test class is a mixed class for both Juniors and Seniors.

BRC have adjusted the numbers to qualify due to requests from many areas. For further information on the numbers to qualify for BRC championships, members are advised to review the BRC 2023 handbook.

Withdrawals, Refunds and Cancellations:

BRC will credit note at their discretion, should the team manager need to withdraw any members from competition, it is up to the discretion of the organiser for refunds. If the event is cancelled and rescheduled within 21 days of the original event then all entries will remain and be carried over to the new date, with pre-entries for the qualifier **NOT** re-opening. If the new qualifier date is more than 21 days after the original date, then pre-entries will reopen and close again 21 days before the new qualifier date. Those unable to make the new date have 14 working days to claim a credit note from BRC. Eligibility will be taken from the close of the new entries date.

For any qualifier that is cancelled and not rescheduled, clubs will have 14 working days from the date of cancellation to claim a credit note from BRC.

PPE:

Hats:

All hats must have a visible **PINK** BRC/BE/PC hat tag in place before they are worn on the showground, to show that they meet the current safety standards. There will be a trained official available on the day to do this for you if your hat does not currently have one. For up-

to-date hat rules please see the current BRC Handbook. Hats with a fixed peak can ONLY be used for dressage and show jumping.

Body Protectors:

A body protector is not obligatory for dressage competitions. However, competitors may wear an up-to-date standard body protector should they wish to, for up-to-date list of standards for body protectors please see the BRC handbook.

Riders wearing Exo Body Cage protectors must inform the secretary at all events, so medics can be informed.

Flu Vaccinations:

Your horse must have up to date influenza vaccinations in line with rule G7 in the current BRC Handbook. There is also a checking device on the BRC website. If you are unsure, please email BRC at brcentries@bhs.org.uk .

Due to a brief shortage of flu vaccinations, there is an allowance of 15 months between one vaccination and the next, this must then be followed up by another vaccination 9 months later, so that there are still 2 vaccinations in a 24 month period, this will need to be noted by the veterinary practice to state this was during the vaccination shortage, either noted in the vaccination table in the horse's passport, or via a letter that accompanies the passport.

Members should note that this exemption was discontinued from 1st of January 2023 and will go back to 1 vaccination in a 12-month time frame.

If your vaccination is out of date and the course needs to be restarted, then you must apply for a yellow card from BRC or will be given a yellow card at the qualifier by the official steward. This will enable competitors to continue competing but ensure that they must follow up on the vaccination.
