

COVID 19 – Training Requirements

Welton and District Riding Club are delighted to be able to re-start our training events and whilst restrictions are constantly changing please take time to read through the requirements below. This forms part of our risk assessment in order to be able to go ahead with training events.

At this time we are only able to offer training to our riding club members.

- Please do not attend if you or anyone in your household has been unwell or showing any symptoms.
- Do not arrive at the venue more than 30 minutes before your allocated session.
- Each rider may bring one helper only, as numbers will be limited. Social distancing (2m if possible) must be observed by everyone attending.
- Please ensure that if you use any communal areas and open/close gates into the venue or arena ensure that you use the hand sanitizer available
- Follow all instructions given by the organiser in relation to where vehicles should be parked and ensure that vehicles are parked at least 3 metres apart.
- Toilet facilities are not available.
- Horses and ponies must not be tied up outside of lorries and trailers.
- Once you have finished your session please leave promptly.
- At the present time we are also operating a no dog's policy.

Thank you for taking the time to read through the requirements and we look forward to seeing you.
